

*Genetically Modified Organisms (GMOs),
Are they the answer or the disaster waiting to happen?*

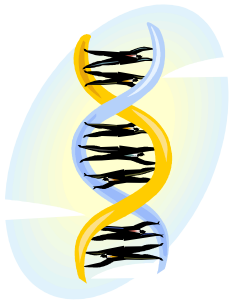

GMOs

Frankenfoods

Super Crops

ENTOMOLOGY 315

Biotechnology and Society

Spring Semester 2005 (3 CR)

Lecture Only: TR 9:35 – 10:50 a.m.

Instructor: Dr. Craig Coates Ph: 458-1219

Location: Minnie Belle Heep Center (HPCT) Room 103

Big Business

Wonder Drugs

Regulation

The aim of the course is for the students to develop an understanding of the current and future Impacts of Biotechnology on Medicine, the Environment and Agriculture and to be able to accurately express this information to others. This would be particularly valuable for those students seeking professions in Education and Communication.
