### Send This Job To A Friend

Agrium is driven by growth, whether it is to improve the performance of crops that feed the world responsibly, grow our business, our market share or our earnings. Headquartered in Calgary, Alberta, Agrium is one of the world's largest nutrient and fertilizer producers with net sales of almost \$10-billion over the past two years, compared to just \$2.8 billion five years ago and \$1.7 billion ten years ago. How's that for growth!

We also encourage our employees to grow within their roles as we continue to pursue new ways to make Agrium a great place to work. In 2010, we were awarded the distinction of being named one of Canada's Top 100 Employers and one of Alberta's Top 50 Employers. Come grow your career at Agrium and join our more than 11,000 employees across North and South America to help feed a growing world.

### Position Summary:

The Graphic Designer I will be responsible for the creation and/or design of various marketing projects including, but not limited to, labeling, packaging, display materials, sales support material and other advertising projects in collaboration with Loveland's marketing/sales team. The right candidate will have the ability to create dynamic sales/marketing pieces using various forms of design software that supports the overall marketing direction.

This position reports to the Marketing Communication Manager, Loveland Products and requires that the successful candidate lives within commuting distance from Loveland, CO.

### Responsibilities:

- Design product labeling and packaging for Loveland's product line.
- Create sale/marketing pieces using various forms of design software that supports overall marketing direction.
- Work closely with Loveland's marketing and sales team to support overall marketing direction.
- Take ownership in projects by creating professional work, meeting deadlines, and staying within a budget.

### Qualifications:

- Preferred – 4 year Bachelor's Degree with emphasis on Graphic Design
- Proficient knowledge in the following desktop publishing programs: Quark, Acrobat, Adobe Program
- 1-3 years of design experience

- Highly self motivated
- Excellent verbal and written communications skills
- The highest ethical standards and sense of accountability
- Portfolio of work may be required
