

# Part-time Student Worker Needed

A student worker is needed at the USDA-ARS, Areawide Pest Management Research Unit, 2771 F&B Road, College Station, TX 77845

The position is for 15 hours per week with the schedule to be determined based on the student's class schedule. The work schedule can be changed for the summer based on class schedule. The position is classified as a Biological Science Aid at the GS-2 level (\$10.39/hour). Major duties include the infesting of corn earworm larvae in diet cups and shipping them to public school students as part of our agricultural science outreach program for life cycle observations. Processing, identification and counting of insect pests collected for testing, shipment or preservation will be required. Some experience with insect handling is preferred, but not necessary. Ability and willingness to work both in the laboratory and outdoors is also preferred.

If interested, please contact Dr. Juan Lopez at 260-9530 or email [juan.lopez@ars.usda.gov](mailto:juan.lopez@ars.usda.gov) or [j-lopez@tamu.edu](mailto:j-lopez@tamu.edu).
