

Student Worker Needed!

Our lab needs two student workers for 10-12 hours a week starting immediately.

The job may include rearing moths, rearing small parasitoid wasps, making insect diet, cleaning vials and washing lab dishware. The work time is flexible, and the salary is \$6.55 per hour. Experience or coursework in Entomology is preferred.

The job is in Dr. S. Bradleigh Vinson's lab at the Entomology Research Laboratory (ERL, Building No. 815). The building is on the northeast corner of the intersection of Agronomy Road and Raymond Stotzer Parkway (University Drive).

Please contact Indira Kuriachan at 845-8975 by e-mail indira@neo.tamu.edu or Sherry Ellison at 845-8974 or by e-mail s-ellison@neo.tamu.edu for an interview. Come by and visit our lab, meet the people, and see what we do.
