

SCIENCE, TECHNOLOGY, ENGINEERING, & MATH

# STEM Fellows Program

The STEM Fellows Program is seeking current graduate students (minimum of one semester graduate coursework completed) preparing for careers in science, technology, engineering, and math to enhance middle school students' knowledge and understanding of these fields.

Graduate STEM Fellows will work with middle school teachers to provide resources and activities that will stimulate the students' interest and encourage further discoveries.

All STEM Fellows will attend training sessions and program meetings prior to and throughout their tenure. STEM Fellows are paid positions and an application is required.

If you wish to learn more about the STEM Fellows Program and submit an application, please visit [http://peer.tamu.edu/NSFPages/NSF\\_Fellows.shtml](http://peer.tamu.edu/NSFPages/NSF_Fellows.shtml)

The deadline to apply for the 2005-2006 school year is Monday, March 21.

*This program is funded by a grant from the  
National Science Foundation.*
